a quiet area of woodland near the beach when we heard voices close by. Nicky swiftly disappeared behind some bushes and I quickly gathered up her clothes and walked off down another path. The voices belonged to two girls out walking their dog. They walked past where Nicky was hiding but

into it. There was a loud splash and a scream. Nicky had fallen through some brambles into a very cold stream. The

Claire confessed they had been watching our photo-session and been so turned on by Nicky they had decided to gatecrash. I hope you like the pictures. It would give Nicky a tremendous thrill to see them in the magazine. K.H., Gwent.

girls rushed to investigate and hauled out a very cold and muddy Nicky. She claimed she had fancied a swim, but when she came out someone had stolen her clothes.

My girlfriend Nicky is 21 and still lives at home with her rather strict parents, but our week's holiday in Devon certainly loosened her inhibitions.

The weather was sunny and warm and the sand dunes allowed Nicky to indulge in plenty of nude sunbathing. It wasn't until nearly the end of the holiday that we discovered the beach is very popular with birdwatchers and Nicky had increased their numbers dramatically! The highspot of the holiday was our last day. We were having a photo session in

the dog didn't. He started barking at the bush before diving

I don't think they were convinced, but the girls, Claire and Jules, said Nicky should come back to their cottage to get clothes and clean up.

They took her home, bathed her and attended to the scratches from the brambles. Nicky was then put to bed joined by Claire and Jules. Nicky has had no experience of sex with women before that afternoon. They treated her so gently that she reached orgasms of an intensity that she had only dreamt about. Their tongues reached into every crevice. She was sucked, licked and bitten until her skin tingled all over and her fanny ached.

## GIFT OF LOVE

**M**y wife Anne and I have been keen readers of *Escort* for the past 12 years and have spent memorable hours fucking each other whilst reading the mag. We have experienced many sexual thrills from flashing to having sex while Anne was bent over a balcony rail, talking to the occupants in the adjacent room (this was on our honeymoon).

My thirtieth birthday present to Anne was my permission for her to fuck someone else.

Anne told me she was

going out with her friends from work and would be home late. She came home at about half past one and was clearly in a very happy mood. She lay down on the floor and asked me to fuck her. **I knelt down and was about to lick her out when I was gobsmacked at the sight that greeted me. Her pussy was wide open and very juicy already.**

When she saw my face she burst into laughter and said, "Well, you did know it was my birthday!" I immediately knew what she meant and was incredibly aroused. I

fucked her furiously and in a matter of minutes it was all over but it was the best fuck I had ever had. She told me that she had met a young lad in the pub and taken him

back to her parents' house nearby (they were away on holiday). **This lad had given her a fine seeing to, fucking her three times in different positions, her favourite being on top and in control.** She'd been amazed at his staying power and what she described as a very thick and long cock. Anne said that she had enjoyed it enormously and was thrilled at how turned on I had been!

Anne works in a public building so we can't be too indiscreet, but the readers will enjoy looking at her gorgeous 38-28-38 as much as I do! *J.W., South Wales*

## SOGGY

This is Alison from Humberside. She's 20 years old and loves nothing more than to have her photo taken and gets very soggy saddle bags just thinking about it. We are just about to set off for a drive to the countryside to do some more quite soon to put in the *DIY* section because me and Alison find that and the readers' pictures are a great turn-on. *Tim and Alison, Humberside*

**Claire Slips Out Dept:** Model Claire demonstrates her liking for "slippery things" further on, but her other little fancy is wearing not very much under her rubber mac and going for a walk in a breezy park. (N.B. These look like more of those useful-type nipples we'll be mentioning any moment...)

**It Works Wonders Dept:** One of our girls this month is Jodie from Staffs who works in a club bar wearing a sedate white blouse and knee-length black skirt and pulls a perfect pint of Guinness which she usually has to let go of. We let her wear what she likes and keep the bevvy for herself... and she may pull our pints anytime!

...behind the scenes at Escort

**Make 'Em Laugh Dept:** Offering his wife to us this month is Jon from Oxfordshire (see *Take My Wife* a bit later on) who tells us that making Pam laugh is the best way to get her undressed. "She often gets the giggles while I'm taking pictures but it seems to make her *more horny...*" which makes him more horny so everybody's laughing!

**Just Another Tuesday Dept:** For this month's centrepiece we dropped in on a informal luncheon at Emma's house and formed the impression that this sort of thing would be going on whether the cameras were there or not. A lively game of Pass The Sausage was followed by a Flour Fight, before the girls gave the floor a much-needed rinse...  
...at least we think that's what they were doing down there...

**Stiff Ones Dept:** Not everybody have the sort of useful nipples you can hang things from, but Donna has (see much more of her in this blindin issue) and so has reader Anne of Essex.

**Can't Do A Thing With It Dept:** A hair-raising moment for spanking fan Rhonda (more of her lush valley later in the ish) when she discovers her pubes are becoming Totally Uncontrollable as a result of an Escrot foto session. Or p'raps it's that Wash n' Cum shampoo her boyfriend gave her...

## STRANGERS IN THE NIGHT

**M**y husband and I had a weekend away. On our first night after a boozy dinner we went upstairs ready for sex. We'd just got to our room when the door to the next room opened and a good looking woman came out

and asked my husband if he'd have a look at the light in her room as it wasn't working. Steve went into her while **I went into our room to get ready for him. I left my stockings and suspenders and lacy basque on; my pussy was already damp and sticky.** I lay and waited. A while passed so I put a towel round me and went to see where Steve was. The door to the woman's room was slightly ajar and I could see Steve up on a chair struggling with the light bulb. He was struggling because the woman was fondling his cock which was bulging through his trousers. He'd had a hard-on most of the night in anticipation of our sex session.

**She started to undo his zip slowly then pulled out his hard cock and started to suck the knob and slowly lick the shaft up and down. Steve tried to push her away (but not too hard) but she just sucked harder.**

Steve got down off the chair and undid the buttons on her blouse. She was not wearing a bra and he started to play with her nip-

ples which were long and sticking out. She lead him towards the bed where she laid down and spread her legs. Steve pulled her skirt and knickers off, leaving her totally naked before taking his clothes off. **I was so turned on I was wet and getting wetter. I put my hand on my cunt and it felt wonderful.**

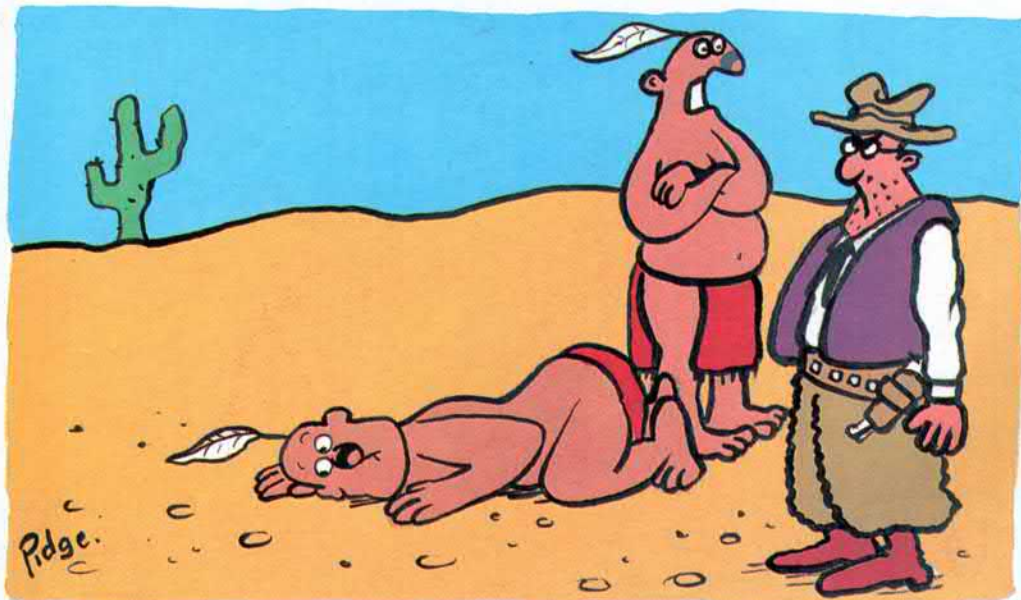

Steve was kissing and sucking the other woman's nipples. He moved down towards her wet, juicy cunt,

but then she saw me in the doorway and stiffened. Steve stopped and looked up. He saw me and, smiling, got up and led me into the room. **He kissed me and I could taste her pussy juice on my lips. His cock was hard and long.** He took my towel off

and started to lick my nipples. I wanted to stop him as we'd never done anything like this before but I was so turned on I couldn't.

Instead I lay on the bed. At once **I felt a soft touch between my lips, then a wet tongue on my clit. This strange woman had started licking and sucking me out!** The feeling was wonderful and I did not try to stop her. She was kneeling on all fours hold-

"HE SAYS HE CAN'T HEAR ANYTHING - HIS EAR IS FULL OF SAND"

ing my lips open, licking and sucking like she couldn't get enough of my cunt and pussy juice.

Steve moved behind her and started thrusting his prick in and out of her cunt doggy-style. This really got her going and the harder and faster Steve fucked her the more she lapped and sucked at my cunt. **We all came together, her moaning as loud as she could with her mouth over my mound, me screaming and pushing her head down onto my flooding cunt as Steve sprayed his hot creamy spunk all over her arse.**

We all collapsed in a heap panting and sweating and glistening with spunk and pussy juice. We carried on all night in various positions. Steve liked it when this lovely woman and I got our legs apart and our fannies rubbing together. **He stood wanking over us until we came again, Steve spunking all over both of us.**

Steve and I then went back to our room and woke around noon the next day and made mad passionate love still thinking about the night before. When we

eventually went downstairs to eat, the maid was cleaning the room next door. Our friend had checked out and we didn't even know her name. We have included some pictures which may jog the memory of the woman in the hotel. *J.B. London.*

**When an 18-year-old sex-hungry secretary starts masturbating in the office, what does a manageress do? Hertfordshire reader Liz found out...**

**I** suppose it's every man's dream to meet an eighteen-year-old nymphomaniac,' says Liz. 'But being a woman, I can't say it was very high on my own list of fantasies!

I work for a big company that likes to shunt its younger employees around to different departments every few months, but Mandy had only just started with the firm when she came to me. She was a very attractive girl with a good figure and I suspect I got her because someone thought she might be a distraction if she shared an office with a man. She sat directly opposite me, but her desk didn't have a modesty board like mine, and I had to have a word with her about the length of her skirts because she was flashing her panties every time she crossed or uncrossed her legs.

The next day she was wearing a longer one, and the day after that I caught a glimpse of suspender and realised she'd also switched from

and began to stroke her pussy more directly. She was in a world of her own, and I found myself envying her because I'd had a terrific fuck the night before and my clitoris was beginning to throb at the memory of it. I wouldn't have minded a rub myself, but a woman in my position couldn't possibly do anything so outrageous. Or could she? After all, my desk was fitted with a modesty board. Nobody would know!

I stopped looking at Mandy and tried to concentrate on the paperwork in front of me, but the figures were beginning to blur. The urge was too powerful. I let my hand fall into my lap, carefully tugging my skirt up and trying not to tremble as I parted my knees and caressed my inner thighs with my fingertips. I peeped across at Mandy to see if

didn't stop me pushing my skirt higher and slipping my hand down the front of my knickers. I shuddered as I probed for my tingling button and furtively began to rub it. I discovered that I could do it without giving myself away by moving my upper arm, but my panties were still causing problems. Apart from the fact that they were now cutting into the back of my hand, they were making swishing noises that sounded deafening, though Mandy gave no sign that she could hear. She didn't even notice me shifting from one cheek to the other as I pulled them down.

They didn't go very far – about midway between my crotch and the tops of my stockings – but it was far enough. My hand dived into the gap above them, and I began to wank in earnest, not even stopping when the phone rang and I had a conversation with a male colleague. Unfortunately he wanted something from my files, and in a hurry, because I hadn't pulled up my knickers up before he walked through the door. Hastily flicking my skirt into place, I walked carefully to the filing cabinet, getting the shock of my life when I glanced at Mandy and saw she was still at it!

There was no question that she was getting an

# The Office Nympho

tights to stockings. It's a bit unusual for someone her age, but it was none of my business provided she didn't start wearing mini-skirts with them, so I just forgot about it. A week or so later I glanced across and saw her hand was in her lap and the hem of her skirt was gently rising and falling. I looked at her face, and her dreamy expression and closing eyelids said it all. The girl was absent-mindedly playing with herself right in front of me!

I mean, what do you say? "The company doesn't approve of employees masturbating in the office"? In the event, I

she'd noticed.

She was miles away, still lazily massaging herself through her knickers as if I wasn't there, and for a little while I copied her. But that modesty board gave me a big advantage, and it wasn't long before I was worming my fingers under the edge

extra kick out of doing it with a man there, because she was looking at him with a little smile on her face. She'd either forgotten she didn't have a modesty board or was too far gone to care. He only had to turn his head to see what she was doing. Taking a deep breath, I strolled as casually as possible across the room and stood in front of her, nearly wetting myself when I felt my knickers slip further down. Luckily they stopped at my suspender clips. I kept my feet apart and my fingers crossed until our visitor left without noticing anything unusual. But I'd got my own kinky thrill out of walking around with my panties around my thighs, and I pinged them away from my suspender clips and relaxed as I returned to my desk. They fluttered to my ankles just as I got

**"Her dreamy expression and closing eyelids said it all. The girl was playing with herself right in front of me!"**

was too amazed to say anything at all. I just sat there and watched the gap between her knees widening and her skirt going higher and higher until it was around the tops of her stockings and she was pressing the middle part of it into her groin. I caught a glimpse of her white panties before her hand covered them

of my panties and into my slot.

The lips of my pussy were all clammy and swollen, and though I managed to tease them apart and get a finger between them, my panties were cutting into me and it was very uncomfortable. The shock of realising that I was actually going to bring myself off in the office

behind it, and I collapsed into my chair and hooked them clear with my heels.

'Now I could spread my legs wide and I grabbed my aching pussy, well past caring whether Mandy had noticed, though I still had enough self-control to make sure my arm wasn't moving too much, which was more than *she* did, because I could clearly see her elbow going up and down. I must have drifted off for a while, because the next thing I remember was a subdued gasp. She had her knees pressed together, her hand clamped between her thighs, and was quietly shivering into a climax that ended with a sigh of relief and – to my horror – a conspiratorial little smile at me. She'd obviously realised I'd seen what she was doing, and I had

the awful feeling she knew I was doing it too. I snatched my hand away from my burning pussy and crossed my legs on it, but it didn't have to wait very long because she went to the loo a couple of minutes later. It was only when I'd brought myself to a frantic climax that I discovered my knickers were in plain view in the gap at the bottom of my modesty board.

'Mandy must have seen them, and tactfully left me alone to finish my sneaky wank. I calmed myself with the thought that she was hardly likely to tell anybody about it, then I pushed the whole thing to the back of my mind until lunchtime, when I found my key to the basement storeroom was missing. Mandy had been the only person near my desk all morning. I found my spare and went to find out what was going on.

The basement's used as a store room and is big enough to be an underground car park, so it took me a while to find her. When I did, I could hardly believe my eyes. I ducked behind a storage rack and peeped between some boxes to confirm I wasn't seeing things.

## IN THE SACK

Linda, my girlfriend, was lying in bed one morning, knowing I was due round any minute and would find her waiting there.

She was woken by the doorbell and, thinking I had forgotten my key, went downstairs with only her dressing gown on. She flung the door open and opened her dressing gown saying, "Cop a load of this — it's all yours." To her amazement, standing there with a parcel, was the postman, who said, "Not right now, but how about Saturday night?" Grabbing the parcel quickly and very embarrassed, Linda

slammed the door. A few minutes later I arrived to find Linda on the bed fingering a wet, juicy fanny. She told me about what had just happened and said **she was feeling extremely horny and wanted her clitoris licking, at which point I disappeared between her legs, not that she needed much work as she was sopping wet and about to come.** We then had a very satisfying fuck. Afterwards I said to her that if she got that turned on just by flashing at the postman maybe she should take him up on his offer. That Friday she made a point of bumping into him on his round, his opening line being, "I didn't recognise you with your clothes on." They proceeded to have a chat and arranged to meet at the local night club on Saturday night.

When Linda came downstairs next night, my eyes nearly popped out of their sockets. She had bought herself a sheer black top and mini skirt. Her underwear consisted of just a black suspender belt and stockings. Bending over to pick up her handbag, **she revealed her lovely pussy waiting to be entered. I wasted no time downing my trousers and pants thrusting my cock into her deep pas-**

**sage.** Half an hour later after a few brandies for Dutch courage, Linda was ready and I drove her to the nightclub. Linda found Paul the postman and after chat-

ting and a few drinks Paul slid two fingers up her sopping fanny and was working her well when Linda said, "Not here — your place, now!"

Leaving the club they arrived at Paul's house. He closed the door and turned round to see Linda lying in the hallway, legs apart and moaning that she wanted him to go down on her. **Paul removed his trousers and shorts and Linda instantly started sucking him and rubbing his balls as he was licking her clit.** As she sucked his cock harder, Linda started to taste that he was not far from coming. Then he pulled his cock from her mouth and moved her over to the stairs where he

entered her aching hole from behind, holding onto her gorgeous love handle hips, working at her more vigorously than ever. **He pulled out so he could spurt all over her arse and love hole.** Deciding they should move upstairs, Linda had a shower to clean herself up. Paul joined her, caressing her curvaceous body with his hands and cock. As he did, Linda could feel the juices running down her

legs from her arse and love hole. **Feeling hornier than ever Linda went down on her knees, saying she wanted to do him good and proper. Paul's cock was rock-hard with Linda's tongue licking the end and her hand massaging his balls.** Linda soon tasted his juices in the back of her throat, savouring every moment.

They continued until the early hours when Linda returned home to find me waiting to show her how much her postal adventure had turned me on. S, and Linda, Hampshire.

PARKING WITH PAT

**M**y wife Pat is 42 years old and keeps her body in trim with aerobics three times a week. She is always horny and loves flashing at strange men. Last week we went to a friend's party. Pat wore a wrap-around dress held by a sash around her waist. She left her bra and knickers off.

As we left the party, Pat said a fellow she had been dancing with had got a hard-on and it had made her feel really randy. She asked if we could go to an overgrown unused golf park in the hills near where we live. We had fantasised about going there several times as it is known for peeping Toms. We got there at

about 1 a.m. and there were several cars parked and quite a few men standing around. We parked by a hedge which hid us from the gaze of the other cars. We wound Pat's seat down so that she was almost lying down. I undid her dress and started to finger her. She leaned over me and started sucking my cock. I noticed the hedge move and out of the corner of my eye I saw a man standing at Pat's window, wanking a large cock. I told Pat and she said it was OK, it made her even hornier. The guy moved closer and his cock appeared at the window. Pat looked at me and I told her to go ahead. She grasped the cock and wanked it

before taking it into her mouth. Watching my wife suck off a complete stranger whose face we couldn't even see was an incredible turn-on. I now made out several

more men watching Pat. The guy at the window gave a couple of hard thrusts and Pat swallowed his spunk. When he pulled out of her mouth there was a string of spunk hanging from her lips. She told me how turned on

she was, then dropped her head into my lap and started to suck my cock. In seconds another cock appeared at the window. I told Pat and she sat up and put it straight into her mouth. After a couple of minutes, she opened the door, slid over so her feet were on the ground and her cunt was over the side of the seat.

She hooked one foot on the doorsill and, opening the other as wide as possible, she told the new stranger to fuck her. This turned on so much I nearly came. The stranger instantly imbedded himself in Pat's wet juicy hole. As he fucked her with hard strokes, she screamed, grabbing and wanking my cock.

The stranger told us he was coming and Pat moaned loudly as she came off. He pulled out and shot his spunk over her tits and stomach. Now Pat told me to

fuck her. There was spunk dripping down her legs and her pussy was awash.

She told me after that it was the most exciting night of her life and she would love to do it again. Nick and Pat, London

SHARON TAKES OFF

**M**y name is Jim and my wife is Sharon. I'm sure Escort readers would love to see more of her 38D-26-35 figure. She is 24 years old and just loves being fucked. She never wears any knickers and rarely wears a bra. She always dresses very tartily in low cut clinging tops and short skirts. It is one of her fantasies to have two men at once while I capture every moment on camera. The thought of all those men seeing her naked turns us both on. Bye for now. Jim and Sharon, Potters Bar

By husband Jon

"I've lived with Pam (36-24-35) for two years," says Jon from Oxfordshire. "She is very inventive with sex and always likes us to try something new. A few weeks ago we stuck mirror tiles to the ceiling above our bed which has given us a big lift! We enjoy photography too, I took these in a local wood and she would not let me near her till I was almost coming. Pam likes any kind of teasing."

**"W**e love this magazine. My wife and I read it and it has just caused the most exciting thing that has ever happened to us. We are both 29 and Sue is an

Gradually she started playing with herself, getting harder and faster. Mick was saying, "Go on, go on!" as if she was a horse or something. She suddenly exploded into orgasm like I've never seen. Mick got a vibrator out of his bag and said, "Here, try this." Sue said, "No way." Mick gave it to me and said, "Go on, make it a grand finale."

Sue resisted for a minute and then lay back. All I could hear was

**"Sue beautiful, naked and shaven didn't bother getting dressed but just poured the wine"**

across as a bit clinical and business-like.

An hour and several drinks later, all was set up in the lounge. When Sue came down she could hardly speak with the excitement. I put some music on and Mick told her to dance about and gradually undress. He made no attempt to film, just sat and watched and made comments. I was getting very horny. I

me by a total stranger.

He asked her if she wanted to do any posing. "Anything you like – classical, or nude, it's up to you." Sue looked at me and Mick said "Look, I'll tell you what I normally suggest, start off classy and get ruder then when you watch it later, you can rub out anything you don't like."

Mick set it all in motion. I just couldn't believe it was

Reading what other people get up to in *Escort* got us discussing ideas, and one night I was reading out some classified ads and there was one from a guy in Manchester offering to make 'personal' videos. Sue admitted that she had fantasised about such photo-sessions.

Several letters later found us shaking like leaves waiting for

After a couple of minutes she took it off me and pushed it right up. I sat back to watch and for the first time was aware of Mick standing by his

camera and wanking like mad. There were several orgasms quite close together, and that was it.

Mick stayed for another drink. Sue beautiful, naked and shaven, didn't bother getting dressed but just poured the wine.

Nearly every night we watch part of the tape. It is 53 minutes long and the best bit is when Mick sits on the settee and Sue is naked between two fully dressed men. We've had more sex in two months than the previous two years and it was OK before.

We've made contact with another video man and Sue says that she will do even more next time. Meanwhile, here's some snaps taken in a hotel on a recent wild weekend.

## IN THE LIBRARY

**M**y name is Kate, I'm 40, and work part-time in my local library. I am married but I am sleeping in the spare room

looking, slim and possibly a little shy, though he had a wicked gleam in his eye and a smile that turned my knees to water. I showed him to the reference section and helped him dig out a few volumes before leaving him to it, having told him if he needed anything just to ask.

He came into the library every day, always asking for me if he needed anything and gradually we built up quite a rapport. It must have been obvious that I fancied him as I flirted quite outrageously, making sug-

gestive remarks, squeezing past him in the aisles, etc. It seemed to me that he fancied me too, but it was obvious that I was going to have to make the first move.

The next day I asked him if he would like to use the small office at the back of

the library as he would be less disturbed by other people. A little while later I brought him a cup of coffee and asked if he minded if I stayed to keep him company. We were soon chattering away like old friends. I decided to go for broke and leaned over and kissed him. He responded passionately, our tongues entwining as I began to undo my blouse.

**Within a moment I was naked, standing before this gorgeous young man, desperately wanting him to fuck me senseless. His eyes went wide as he stared at my body which is pretty good for a lady my age. I undid his trousers to release his straining cock.** It sprang out, fully erect and huge. I opened my mouth and slid it over his engorged shaft, sucking gently as I took more and more of his length in my throat. Feeling the spunk rising in his shaft I withdrew it from my mouth and asked him to lick my pussy which was soaking.

**I lay back on the desk and closed my eyes, savouring the delicate touch of his flickering tongue on my aching clit.** In seconds I was coming uncontrollably, as wave after

wave of orgasm rushed through me. 'I want your cock inside me now,' I told him, 'every inch of it.'

I told him to sit in the chair and, with my back to him, I straddled his cock, thrusting downward sharply, impaling myself. I squealed as I felt his hardness enter me. Then I thrust deeper, my lover moaning in delight as my slippery cunt enveloped more and more of his cock. **Soon I was sitting on his knees, his shaft buried hilt-deep in my pussy. I sat still for a moment before lifting my buttocks and beginning to ride his massive shaft.**

As I did, he grasped my hips and began to jerk up into me. With a groan he reached his climax, pumping spunk into my eager pussy.

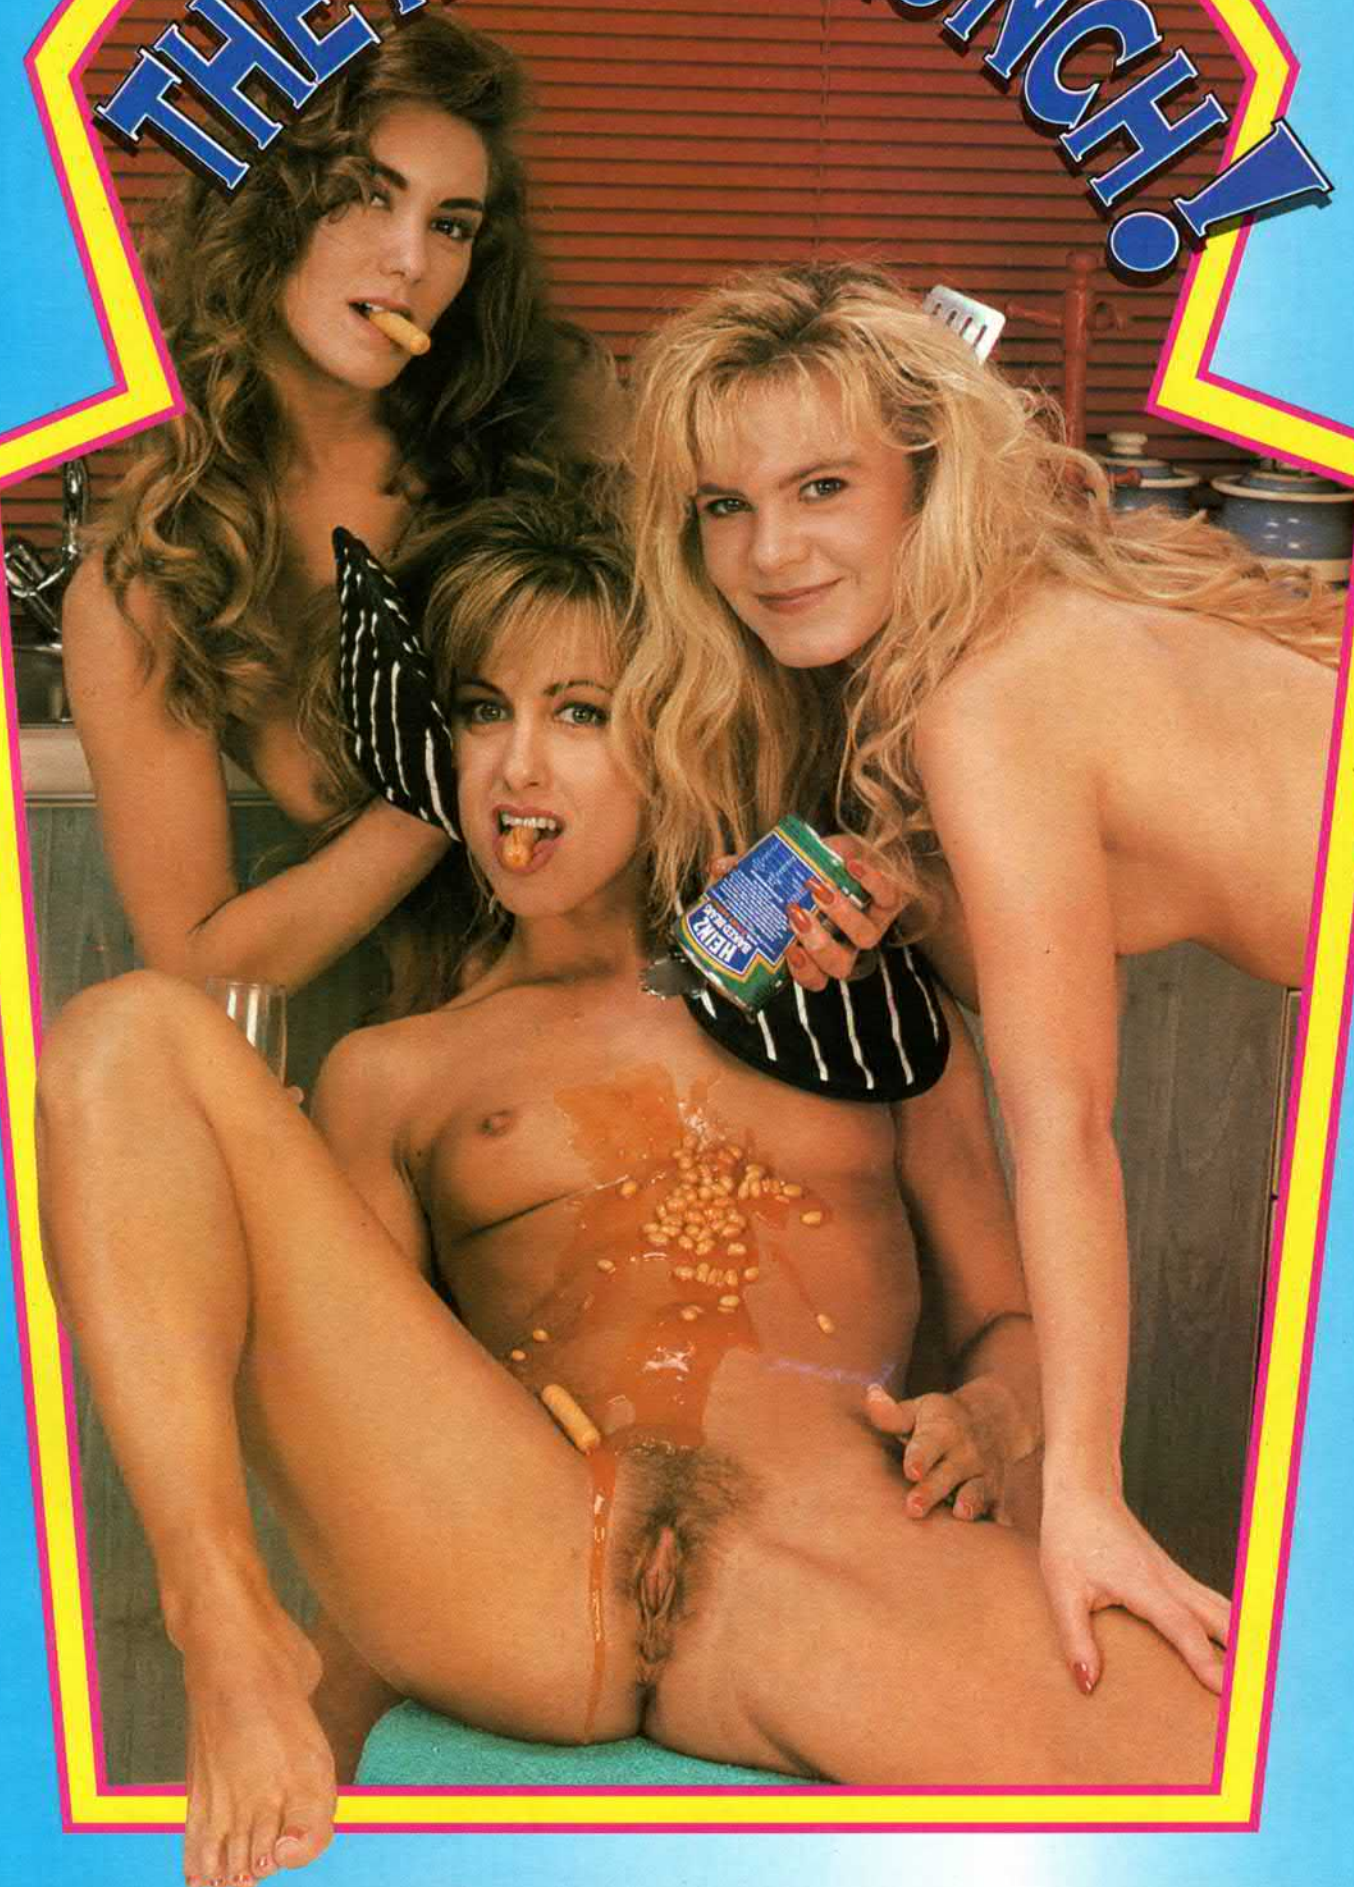

We are now regular lovers, fucking at every opportunity, at work, in the car, even in my husband's bed when he is away for the night. K. W., Sunderland

after discovering that my husband is screwing his 19-year-old secretary. My story began a couple of months ago when a young man asked if he could use our reference section as he was writing a book and needed to research some local background. He was very good

**'My fantasy is to be tied naked to a tree,' confesses Manchester reader Judy (42-28-39), 'then fucked by my hubby in front of a randy crowd.'**

**I** imagine we're sunbathing nude on this deserted, tree-lined Mediterranean bay. I dare Ned to tie me to one of the trees and do dirty things to me. But the rotten sod just laughs so I nod off.

I wake up to find myself sitting with my back to a tree. Then I realise I can't move my arms: they're tied together behind the trunk.

There's no sign of Ned and then half a dozen young men suddenly sprint past me from the water. They crash to a halt, gaping at me.

They gather round me and the tallest and best-looking asks if I'm alright. I say I'm fine, I'm just playing a game with my husband, who'll be back any second. "Wow," says a younger swimmer, "that sounds really kinky."

"That's exactly what it is!" someone calls. I gasp with relief as Ned sidles through the others and standing over me. "Her hubby hides in the trees with

of his foreskin, his shaft already half stiff.

I lean forward, stick out my tongue and draw it lovingly up the length of Ned's shaft. As I reach Ned's bulb, his cock jumps, stretching to its

tender little flicks with my tongue.

"Oh yes, baby," he breathes, bracing himself against the tree as I lift my head and plunge my mouth over his tip, wriggling his thick rod right into the back of my throat, until my lips touch his balls. He groans as I begin to jerk my head back and forth, sucking him as I do it.

"That feels good," Ned gasps. "Did you ever see such a fantastic mouth-fuck? Look at how she takes my prick —"

'His cock pops out as he speaks and I press my lips to it, kissing its saliva-wet length,

rolling my cheeks against its throbbing warmth, smelling its spunky tang.

"That's it, baby," Ned rasps. He bucks above me as I duck my head and worm my tongue-tip up behind his balls. I glimpse the swimmers' excited faces. The youngest yanks down his trunks

and a long, slim, curving erection bounces up. Staring at my boobs, he starts wanking it immediately.

binoculars," he says. "He watches what she gets up to with passing blokes. They're well-known round here."

I stare at him open-mouthed. What is he saying!

"The dirtier you are," Ned says, "the better. Don't tell me you're not tempted. Look at that gorgeous body — when did you last see boobs like those?"

'My heart leaps into my mouth as the boys begin to grin. Some swallow and lick their lips.

'But Ned doesn't seem to notice. He kneels beside me. I gasp as he lifts my right boob — I can't believe he's doing this to me in front of people and I shudder as his thumb rubs my nipple and I feel it pucker and rise.

"See?" he grins. "Nips are hard already. Bet you her fanny's wet, too."

'And he pushes his hand straight between my thighs, running his fingers through my pussy hair. His fingertip brushes my clit. "Absolutely sopping! She's crazy about sucking cocks too."

## Seducing her dishy male assistant is a thought that makes Michaela from Dulwich moist at night. 'Perhaps if he reads this he'll get the hint!'

**'A**nyone who works late for me, David, deserves at least one drink.'

The woman rises from a side cabinet, a glass of wine in each hand. She's in her early thirties, full-figured and glamorous.

She grins at the surprised look on the face of the smart-suited

young man sitting beside her desk. He's in his early twenties, lean and good-looking.

'That's very kind, Mrs Wallace.' She hands the young man a glass, then sits on the desk in front of him, crossing her legs and tugging pointlessly at her tight skirt.

As they drink, the young man's eyes flicker towards her scissored thighs. They widen as he glimpses pale flesh up the dark tunnel that leads to her crotch.

trousers on in this office!' She downs her wine and stands again, sidling past him. 'I'm due at a drinks party at eight. Could you read your notes to me while I change?'

The young man fumbles with a file

and starts reading, acutely aware of the soft rustle of material at his back.

'Oh damn', she interrupts. 'Sorry, David. Can you give me a hand?'

The young man turns. Only a lacy bra covers her upper half. Her heavy breasts mound in the cups as she leans forward, tugging at her skirt zip.

He squats beside her, picking a cotton thread from her zipper teeth.

'Oh, that's great, David!'

Immediately she yanks the zip

'Ned is fumbling with my handcuffs. He's turning me over onto all fours, facing the tree, cuffing my hands round the trunk again. Doggy fashion is my favourite fuck position. Surely he won't go *that* far...!'

'But his thighs press into mine, his stiff cock propping between my cheeks; I moan as his hands reach round, fondling my boobs, sliding down into my crotch to rub my clit. I gasp as I feel him fumble for his cock...'

'This drives her husband wild to watch,' Ned grunts, 'and look how well she takes my cock -'

'He eases into me, gripping my thighs, nudging for my hole with his round, swollen knob, then sliding smoothly into me, while I gasp and pant and push my bottom back onto him, forcing him as deep as he can go.'

'Yes,' Ned rasps. 'I got a pint of spunk for you, love... Come on, lads, she'll want yours, too...'

'That's when he really starts to fuck me, hard and deep, slapping his thighs against mine. Suddenly there are naked male bodies all round me, stiff, urgent cocks being wanked against my boobs, my back, my cheeks, my hair. The youngest swimmer's long slim prick bumps against my chin. I duck my head, sucking him deep into my mouth. He groans, his prick jerks and I squeal as thick sperm explodes against the roof my mouth.'

'Suddenly I'm coming, fierce, body-racking spasms as guys groan and pricks jerk and spurt all round me, a thick, sticky rain of warm spunk, spattering my boobs, my face, my mouth and finally my pussy as Ned empties his balls into me... My wicked hubby!'

'Am I keeping you from your girlfriend, David?' she asks suddenly.

'No,' he mutters. 'Actually, things are a bit quiet on that front.'

**"She presses his fingers into the soft flesh of her breast and up over the puckering tip of a broad, pink nipple"**

'Really?' The woman's eyes glow. 'I'm amazed you can keep your

open. The skirt slithers down her thighs, and the young man's eyes are inches from the dense triangle of ginger-gold pubic hair that sprouts

between her legs.

'Oh no!' the blonde shrieks. 'It's this flimsy lingerie my boyfriend keeps giving me - I

never know whether I've put it on! I am sorry - at least you know I'm a

natural blonde! The woman makes no attempt to cover herself. She glances round. 'Problem is, my only spare knickers don't go with this bra. I'll have to change that as well —'

Then naked but for stockings, suspenders and high heels, she frowns as she rummages in a carrier bag on her desk. 'Where the hell is it?'

She sees the young man's gaze fixed firmly on her breasts.

'Not bad, are they?' she beams. Her hands scoop the heavy, well-rounded flesh, making it mound even more mountainously. Her eyes glitter at the young man's stunned expression. 'Here, feel!'

She grabs the young man's hand, pressing his fingers into the soft, warm flesh of her breast, smoothing them round the undercurve and up over the puckering tip of a broad, pink nipple.

'I bet your girlfriend's no firmer than that,' she breathes and looks down at her nipple stiffening between his fingers. 'Look what you've done!'

She leans back against her desk. 'Actually,' she says, 'what *really* bothers me is my pussy.'

The young man watches, mesmerised, as the blonde slides her fingers down through her rich growth of pussy hair, a fingertip tracing the pink ridges of her labia.

'It's dreadful, I know,' she breathes, 'but I do seem to need an

awful lot of cock.' Her eyes trap his. 'My boyfriend tries his best, of course, but he's quite *small*...' Her gaze drops to the young man's flies. Her eyes gleam. 'You wouldn't consider lending me *yours* for a few minutes, would you, David? Just for fit?'

The blonde briskly unzips his trousers. 'You'll go a long way in this company, David —' She yanks down his trousers and shorts in a single movement. Her eyes widen as his erection springs up, long and thick with an exceptionally broad bulb. 'A long, *long* way,' she breathes, then pats his thigh. 'Lie down for me.'

He sits on the carpet. Kneeling, the blonde pushes him onto his back, straddles him, then rises, face tightening in concentration as she guides his tip between the glistening, gaping labia. She sinks, wincing as his broad

bulb stretches her opening. Her vagina slides down over his engorged penis, swallowing it inch by slow inch, until his balls press into her cheeks. She lifts, looking down to where the young man's shaft slides, wet and glistening, from her pussy. Then she begins to rise and fall, slow and easy at first, then gradually faster until her thighs are smacking against the young man's, her breasts bobbing and swaying together.

She moans as his hands rise to cup them, fondling and rubbing her nipples together. The young man jerks and swears. 'Mrs Wallace, I'm sorry, I can't —'

'Yes!' She grinds her clit against the base of his shaft. 'Just do it, David — cum in me — fuck me — fuck me — I'

She shrieks as his cock spurts and she shudders and twitches on him, lost in the spasms of her climax. **E**

## British Teenagers - £19.95

This video features only girls aged 16 and over. Girls aged under 18 appear with written parental consent. If you enjoy young beauties, I can certainly recommend you to this highly desirable video. You'll only see teenage girls. There is really something about teenage girls, isn't there? Their skin is so fresh, their eyes so clear and their bosoms, well, their bosoms come in all shapes and sizes. Some of these girls have small pert tits, a few are still under-developed, others have healthy looking firm boobs and some have huge, full bosoms.

This video is chock-a-block full of British teenagers, from all four nations. We have blondes, brunettes and a red-head. Some pose alone, stripping and playing with themselves. Others pose shyly with men. Others dress in school uniform and show themselves to you, then they strip, then their lovers take them and we watch these exquisite British teenagers being shagged. It's high charged erotic viewing.

If you love young girls in their first flush of love and lust, this is essential viewing. The girls are all wonderful and the good news is we have three more volumes of this series to be released in the next twelve months or so.

British Teenagers are the sexiest bunch of teenagers around. Some are shy, others are almost (they admit) addicted to sex. What they are prepared to do is astonishing. To look at them you'd think that butter wouldn't melt in their mouths, but it is close.

This video has something for everybody who is a fan of British teenage girls. Strip scenes and sex scenes,

innocent looking girls, teeny girls who look so downright sexy and dirty that you won't believe it. This video is highly recommended to everyone.

The teenage girls who appear on it are not models. They are normal teenage girls, the type you see on the train, on the check-out till (one works on the till at a nationwide supermarket chain - check her out - she works at the branch in Lincoln). They're office juniors, they're sales assistants in clothes shops, they're the youth of Britain. They're sexy and you'll go wild for them. Yes, they are so vibrant, so sexy, so pure, they are almost worth dying for.

## British Couples - £19.95

Since it was first released in the autumn of 1992, this has been our number one best selling video.

Why? The reason is simple. It is chock-a-block full of different British couples enjoying their nookie quota.

Few things are free in this debt-ridden

Great Britain of the 1990s. One thing is still good though - f\*\*king!

Sex is free. Sex is good. Sex is natural and good sex is a delight to watch - as I'm 100% sure you'll agree.

This sampler video features loads of British couples getting their kicks for free, by screwing for your viewing entertainment. What type of girls or women do you fancy? It doesn't really matter, because on this video there's something for everyone.

This video has older women, it has sexy teenage girls, it has women in their teens, twenties, thirties, forties,

fifties and sixties. It has straight sex, it has kinky sex. It has group scenes, lezbo scenes, school uniforms, nurses uniforms, directoire knickers, knee socks, stockings, super sexy lingerie, vibrators, dildoes, tennis rackets, rude food and fetish acts - a little bit of everything and a lot of horniness. White girls, black girls, even an indian girl and a chinese lady.

This is quite often the first video that people buy from us. Then they complain! They say 'there wasn't enough of Sarah and Robert' or 'Tut, haven't you got any more of Betty, Brian and Doug?' Well... yes of course we have - we've more of everything.

So, if your idea of good viewing is a roller-coaster ride through many of our British couples then you need this desire. Don't just dream about watching a load of British sex addicts doing it. Watch them in confidential close-up action. Draw the curtains, put the video tape into the machine, press the play button and then... Who says Fantasyland doesn't truly exist. These are genuine 'normal' British couples, the types you see at the local shopping mall or in the queue at the cinema or playing with their kids in the park on a Sunday morning. Only in this video, you see them as nature intended: enjoying each other. It is the most eye opening hour of sex you might ever see. It has it all and it's 100% British and 100% full of amateur sex participants (teenagers to grannies).

## Older Women Volume 1 - £19.95

This is the first of our Older Women video series. If you get this one and enjoy it (which you will, I promise) then your luck is in. There are three more volumes available for you to feast your eyes upon.

Volume 1 is considered a collector's item by many of our clients. It is simply amazing. It is stunningly erotic. If you like older women, that is.

This video features only women aged 48 years and over. There are ladies in their forties, ladies in their fifties and even ladies in their sixties. They come in all shapes and sizes, some are fat, some are thin. Some have enormous ripe bosoms, others are skinny and as flat as a witch's tit.

From all around Britain (literally, Erica aged 55 sent her tape in from the Orkney Isles), we bring you the horniest grannies in Britain. All strip for you, all display their old fashioned underwear (some men find directoire very sexy, you know). There are support corsets, girdles and cross-your-heart bras and old fashioned stockings.

This video shows older woman after older woman.

Each one does her 'turn', to turn you on. It's an older woman sex-fans paradise, a Nirvana filled with mature sexy women all of whom want one thing and one thing only - to turn you on. They each have different methods to achieve this. Some stare provocatively straight at the camera, knowing their sexuality. Others are demure, shyly looking away. Others just want to mother you, still others merely want

to turn you on. They want to know that you're going to pull your trousers down because of the effect they have on you.

Enough talk. Now the action. Get this video and enjoy. I've decided that if you like older women, words cannot describe the thrills you're headed for, so I won't go on any longer.

## Young British Lesbians - £19.95

We weren't even sure if teenage lesbians existed, but they do. Wow, do they ever!!! One of the girls told me that Queen Victoria did not believe in lesbians. She couldn't comprehend what two girls could do to each other; that's why homosexuality is illegal to under 21s, but not lesbianism.

Well... after the shock of this video, if Queen Victoria was still around, we could certainly fill her in on what lesbianism is all about.

The girls on this video are all aged 18 or nineteen. They are either 100% lesbian or they swing both ways. They are the horniest bunch of teenage girls around. I've watched this video about fifty times in the last few weeks (yes, it is that good).

The idea of young girls indulging in full sex acts with other British young 18 or 19 year olds is a real turn on and seeing it in exact detail is a real kick.

The thing about the girls on this video is how normal they are. I've always had the idea that lesbians are shaven-headed boyish girls who wear Doctor Marten boots and act like men. Not these girls - these are normal everyday teenage girls, except that they get their sexual pleasures by performing with other girls. Sex is very important to teenage lesbians. Mary, who is 18 shows us just how much pleasure she can give her partner (19 year old Joanne) just by using her mouth. We watch in fascinated, baited-breath ecstasy as Joanne is giving a complete going over. Joanne practically purrs with contented bliss as her lover brings her to the threshold of pure delight again and again. Indeed, Joanne, is in a state of practical orgasmic heights for at least twelve minutes.

There're many lesbian (or bi-sexual) teenagers are on

this video, all are British. They come from all around the country. Grantham, Cardiff, Fort William etc. These girls don't look like lesbians, but they are, as you'll see in graphic detail. Fresh faced & fruity. I don't know about you but that really does turn me on. Get this video and watch it in ultimate close-up as these teenage lesbians perform with each other. It has to be seen to be believed.

'Mandy was leaning against a wall with her jumper around her armpits and her breasts spilling out of her undone bra and into the hands of two of the male trainees. One of them ducked his head

rubbed and pumped at her. She was squeezing her tits out at their mouths while they stroked and massaged her bum, and she slumped back against the wall to enjoy it. Then she was moaning

**"Realising I was going to bring myself off in the office didn't stop me slipping my hand into my knickers, and I furtively began to rub"**

and started sucking a nipple, then he pushed her skirt between her legs and groped her thighs. I clearly heard him say, "Fucking hell, she's wearing stockings," and Mandy giggled as they both felt her up. Then her knickers were being pulled down and stretched across her suspenders.

'A rigid cock sprang into view, quickly followed by another. Mandy wrapped her hands around both and gave them a

and urging them to make her come.

'After a couple of minutes she buckled at the knees and threw her arms around their necks again to stop herself collapsing. I was almost sure that one of the rampant cocks rubbing against her stockings and thighs would try to get between them sooner or later, but Mandy didn't give them the chance. With a heartfelt groan, she shuddered and hunched forward in an orgasm that was obviously a

quick squeeze and a few strokes, then she shook her head and said, "No, me first". They got the general idea, but Mandy clearly had very few inhibitions, because she showed them exactly what she wanted. She shoved their hands

lot more powerful than the one she'd had in the office. One of the guys snatched his hand and looked nervously over his shoulder. I ducked behind my box, and when I raised my head again Mandy was straightening up and flicking her hair

**"She was leaning against a wall with her her breasts spilling out of her undone bra into the hands of two of the male trainees"**

down to her pussy, flinching and telling one to take it easy when he tried to force more fingers up her than she wanted. Then she slotted the other one's finger against her clitoris, put her arms around their necks and pulled their faces to her breasts, moaning as they sucked and

away from her face. I would have needed a few minutes to get my breath back after a climax like that, but she didn't even cover herself up. Still gasping, she reached for a cock with each hand and started wanking them hard.

'The owner of the one in her right

hand just leaned against the wall and let her do it, but his pal wanted a bit more action, and began to finger her and play with her jiggling tits. Far from stopping him, Mandy went all heavy-lidded again. I think he decided that she might let him fuck her after all, because he put his hand on hers and slowed her down. In return, she put hers on his and speeded him up. I shook my head in amazement as she began to swivel her hips and jerk her pelvis as if she was heading for yet

another orgasm. She almost seemed to have forgotten how hard she was rubbing the other cock, and she squealed in surprise as it jerked and a sticky white blob squirted out of it and splattered against her thigh. She pointed it away from her, and a couple more blobs flew out and landed harmlessly on the floor, leaving the rest to dribble down her hand.

'When she let go of him, he got his handkerchief out and wiped his cock with it, then he zipped himself up and rushed out to dispose of the evidence. Mandy had immediately pushed his friend's hand away and slotted her own fingers between the pouting lips of her pussy. I sincerely hoped she was on the Pill, because wanking yourself off with a spunk-covered hand would be a hell of a way to get pregnant. Her concentration on the other guy was beginning to waver, and he obviously thought this would be a good time to make his move. Almost as if he was trying to take her by surprise, he suddenly levered her fingers away from his cock, then shoved it between her legs and tried to get it up her.

'She allowed him to make the attempt, and he started humping. A couple of thrusts later he was slipping out, and she snorted impatiently and pushed him off. Then she turned around and put her hands flat against the wall, wiggling her bum. He joyfully yanked up her skirt and steered his knob into position, and she shoved herself out at him and took his shaft to the hilt. He started shagging her hard, and Mandy snarled at him to do it harder still, biting her lip as he took her at her word and the slaps against her cheeks began to echo around the basement. Then she was coming, and this time she couldn't hold herself up. It was all he could do to support her while she shuddered and shook, and when the spasms died away she went floppy. He desperately dragged her across to a small filing cabinet, and she just slumped across it and let him bang away at her limp body until he shot his lot.

'I was brought out of my trance by the sight of her wet and gaping pussy as he slurped out of her, and I made my escape and went to the pub for a stiff one of a different sort while I considered what to do about her. I didn't really decide on a course of action until later that afternoon, when we were sitting at our desks and my mind was made up for me by the sight of her fingertips tickling her thigh just above the flaky white stain on her stocking.

'She was in the preliminary stages of another wank, and I left her to it and went off to arrange for her to be transferred to another office. I told the personnel officer we didn't get on with each other, which wasn't true. But I could hardly tell him he'd employed a nymphomaniac, could I?'

# UNCENSORED TEENAGE HARDCORE PORN VIDEOS *and more!* (aged 18+)

If you want to see British teenage girls (aged 18+) having full sex (inc. oral etc.), then read on...We have Amateur teenage sex videos & plenty more besides. WE ARE YOUR ONE-STOP PORN SHOP - BY POST.

**VIDEO ONE: TEENAGE SAMPLER** - If teenage girls in & out of school uniforms (knee-socks, white knickers, shirt, tie, blazer - The lot) allowing men (sometimes 2 or more at a time) to have sex with them to completion (many with outside orgasms) is your thing, then here is your chance to see the very best there is. The girls are all innocent-looking, all British & all of them are fucked in & out of school uniforms. Watch pretty girls wearing just knee-socks, being fucked (& tit fucked) by men. Young girls with hard dicks up them - The best. And sweet looking girls with their dirty mouths wide open - giving oral sex. Girls with soft skin who look like they haven't even discovered sex yet; but they have & we get to see everything!

**VIDEO TWO: TEENAGE SPANKING** - Girls being strictly disciplined by their men. Lots of spanking & strong discipline scenes. Pretty girls in school uniforms & then lifting their skirts for a firm spanking plus lots & lots more. The best teen discipline sex you will ever find. Horny submissive young girls must learn a painful lesson in obedience. The Master uses all his favourite tools to teach these insolent girls in school uniform how to obey & respect.

**VIDEO THREE: TEENAGE SLAPPERS** - One of our best selling videos ever. This video is dedicated only to girls, aged 18, who are sex mad. Girls who have one-night stands & love to talk about their sex lives; describing the first time they had sex & giving intimate information about their active sex lives. Lots of school uniforms (knee socks or thick tights or ankle socks). Lots of doggy-style sex; even young girls involved in group sex and lesbian scenes.

**VIDEO FOUR: OLD THROAT** - That's what we call this sex video which is a non-stop hardcore sex orgy between older women (aged between 52 & 64) & much younger men. Plenty of sex, including oral without false teeth in, straight sex + masturbation. Old fashioned underwear. Older ladies telling off their younger boyfriends. Plenty of big ripe tits being sucked. One of the ladies, Betty, is 60 years old. She fucks with her toyboy & then allows another man to fuck her mouth. She takes his full length in & 'Old' deep-throats his manhood until he withdraws & cums over her face & saggy boobs.

**VIDEO FIVE: BIZARRE BONDAGE** - The kinkiest video ever. Everyone in this video is committed to the fetish lifestyle. There are many scenes of bondage & spanking & a few transvestite scenes. Angela is tied to a motorbike in every conceivable position. Her tits love the feeling of those tight ropes around them. Ladies soon learn to respect & obey Captain English as he combines the forces of pain & fear to explore the sensual realm of spanking. See him transform two disobedient girls into love slaves in a manner that would make the Marquis de Sade himself smile.

**VIDEO SIX: INDIAN TEENAGER SHUNTA** - loves hard, cold sex. She comes from a respectable Indian family. However, she is a real black-sheep of the family. Shunta loves sex with English boys & in this video we see here doing what she loves most, having sex, sex, & more sex. This young Indian girl gets her cunt fucked & then has her mouth used as a cunt-substitute while a man

pumps his cock deep between her lips until he ejaculates over her face, a big gob of spunk going straight into her eye! Shunta is lovely & hairy between the legs as we see when another man gives her sex a thorough licking-out. She has a wet squirty orgasm during this session.

**VIDEO SEVEN: BLOND GIRLS WITH BLACK MEN** - Beautiful blond English girls in hardcore sex action with well-hung black men. These girls just love hard sex. They open their legs & have full sex with their black men. Imagine it - Fair white flesh, blond public hair & a big (really big - 9" at least) penis between her cunt-lips poking away at her pink pussy. These girls love black men. Lots of dirty spanking scenes. These girls are used for sex & they use the men too. Lots of oral action too - showing the girls pretty faces & blond hair - and really big black dicks in their mouths.

**VIDEO EIGHT: TEENAGE SEX HOME VIDEO** - We placed little 'postcard' adverts in over 100 newsagents windows, asking for couples, aged 18+, who wanted to earn extra money to allow us to film them having sex for an hour. The response was enormous. This video represents the best of the 'teenage' couples who responded. The girls vary from innocent looking & beautiful to sexy looking and even plain ugly! There are loads of 'spunk climax' scenes. Most couples also have oral sex - Naturally we videoed everything in absolute close-up. Lots of school uniforms (the girls own) & sexy lingerie (stocking, shape & lift bras etc.) For real sex with real teenagers - this video is a must for you.

**PRICES** - Please send £3.00 for our fully illustrated catalogue, which lists 100's of videos, magazines & photosets, covering absolutely ALL sex subjects.

## JULIE'S SEXCAPADE

My wife Julie is 42, 34-24-34 and a proud mother of two. We have been reading this excellent magazine since its launch and cannot wait for the next issue. Our reason for writing is to relate to you a recent 'sexcapade.'

We had gone for a drive up to Keilder Forest and found a secluded road which led to a clearing. We parked the car and started to take pictures. Julie was getting more and more worked up.

She slipped one finger inside her moist pussy then another and another until she finally had four fingers ramming into her juicy hole. I've never seen her so worked up before.

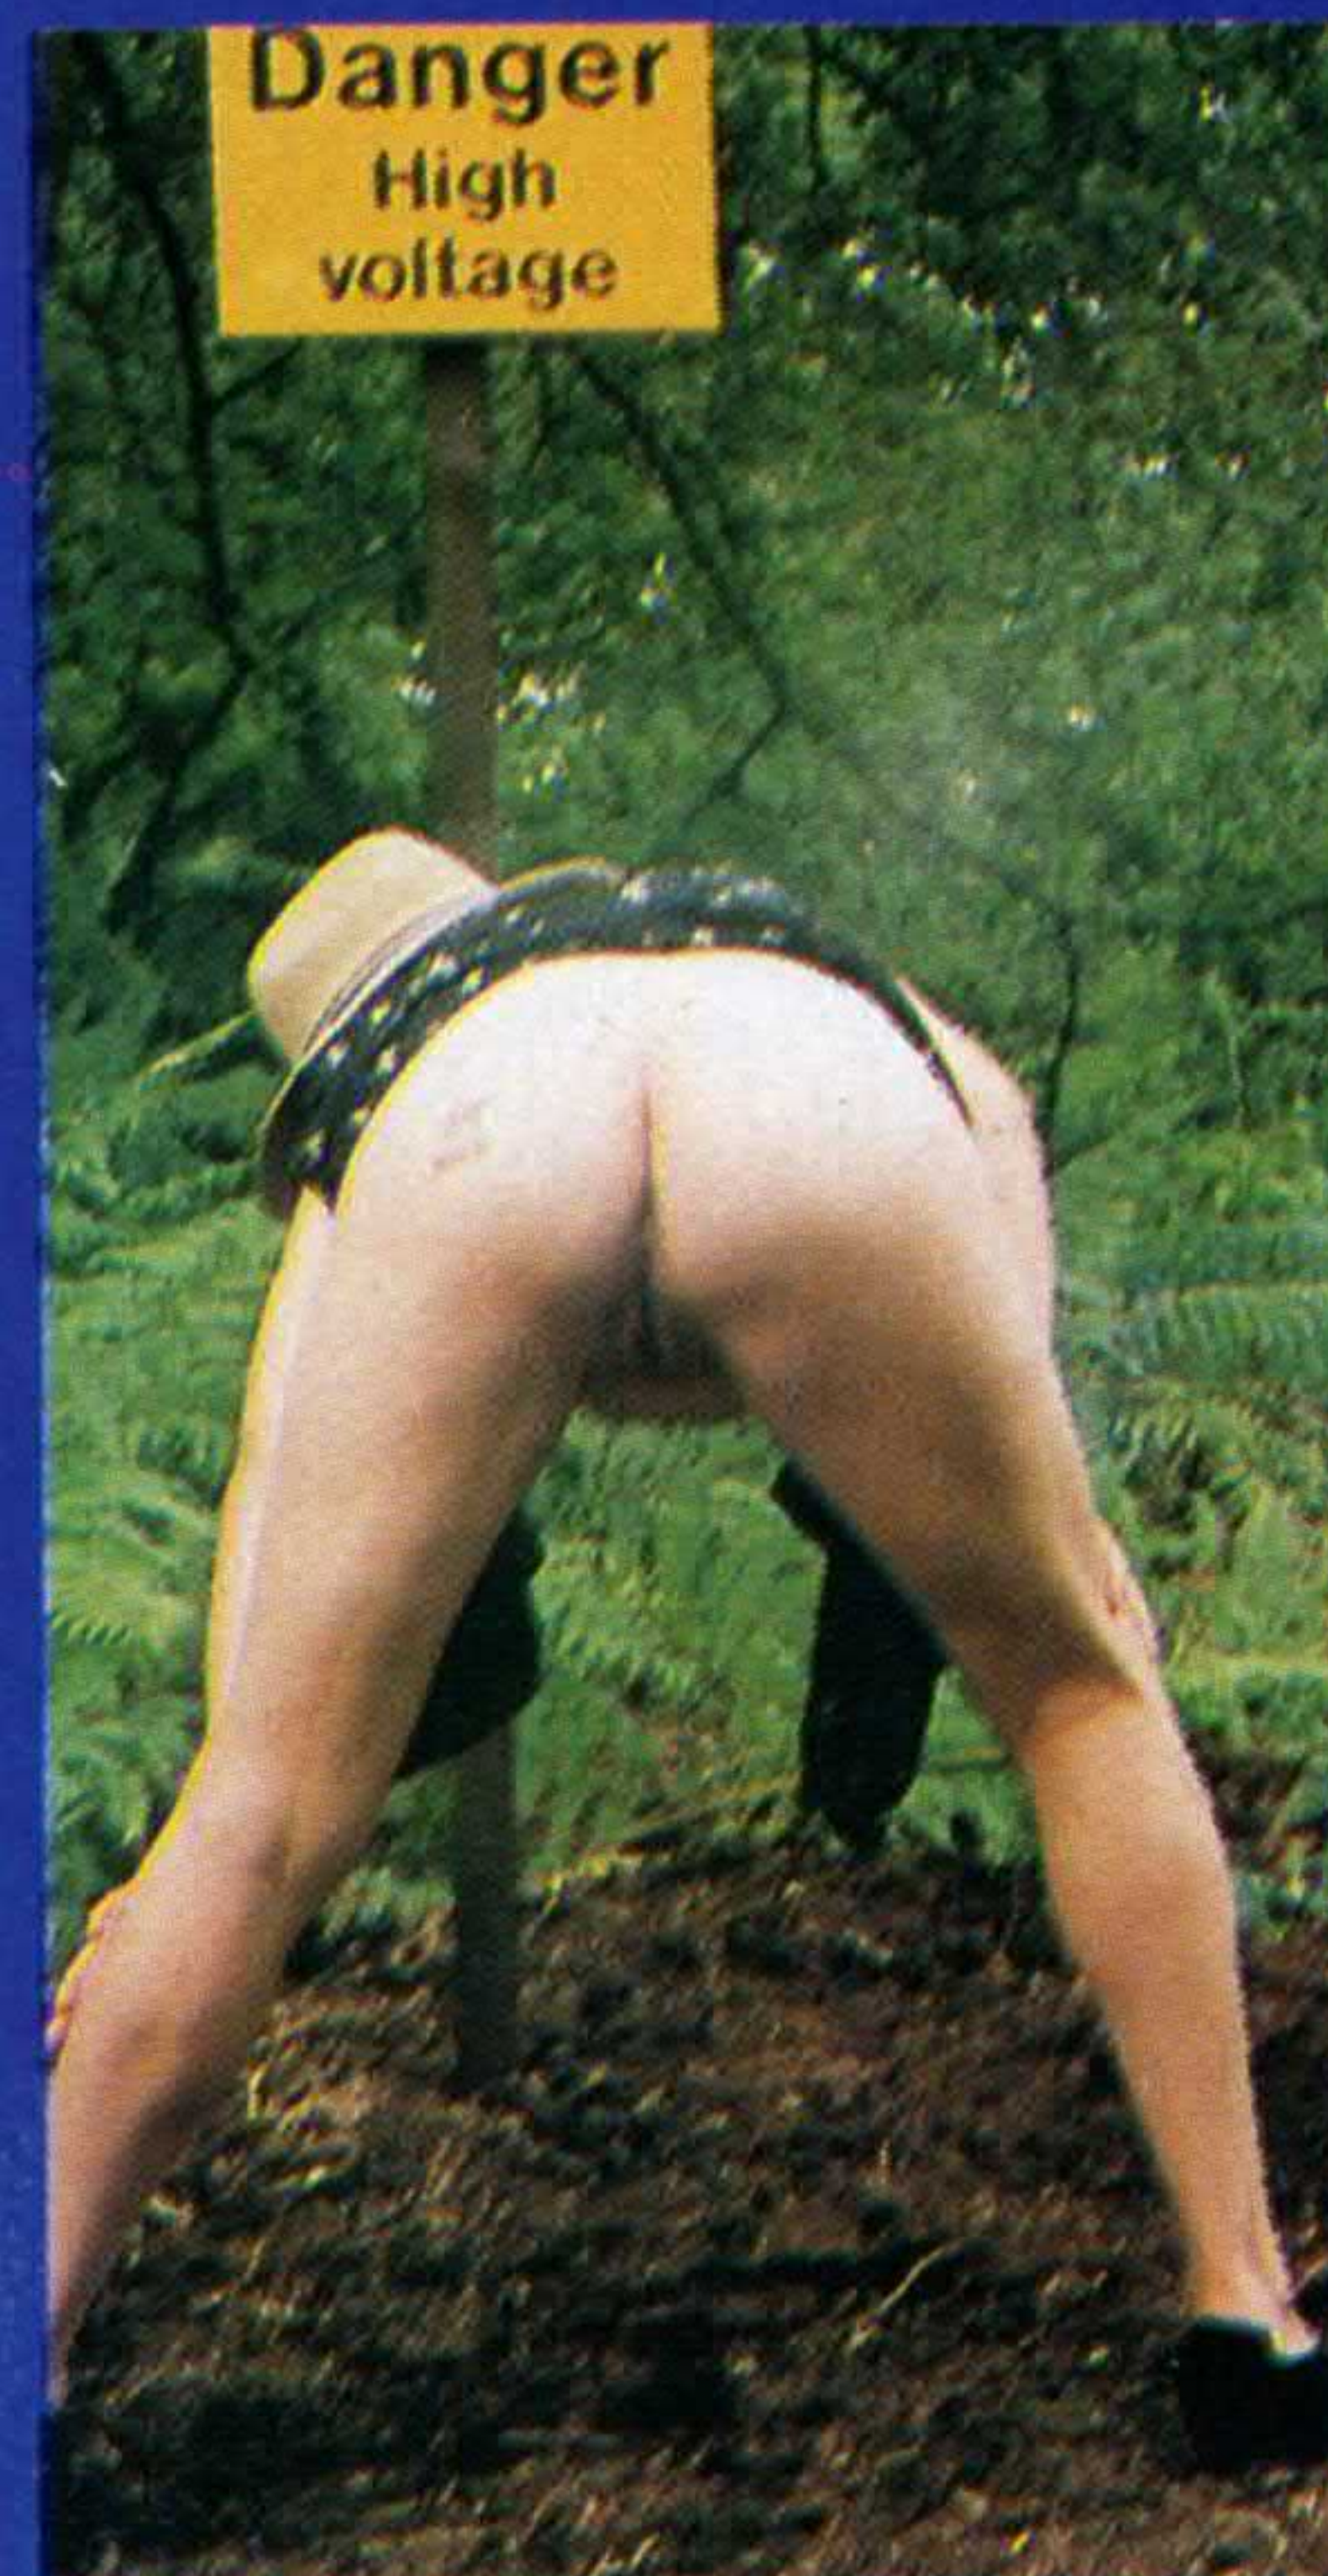

She said she was thinking about me sending the photos into *Escort* and all the readers, male and female having a wank over them. Finally I couldn't take any more teasing, so she climbed on top of me in the passenger seat of the car. After a few minutes I noticed a four-wheel drive jeep slowly approaching us.

When I told Julie she started bouncing her juicy cunt onto my throbbing tool even harder. She said they were probably up to the same as us so she decided to give a show.

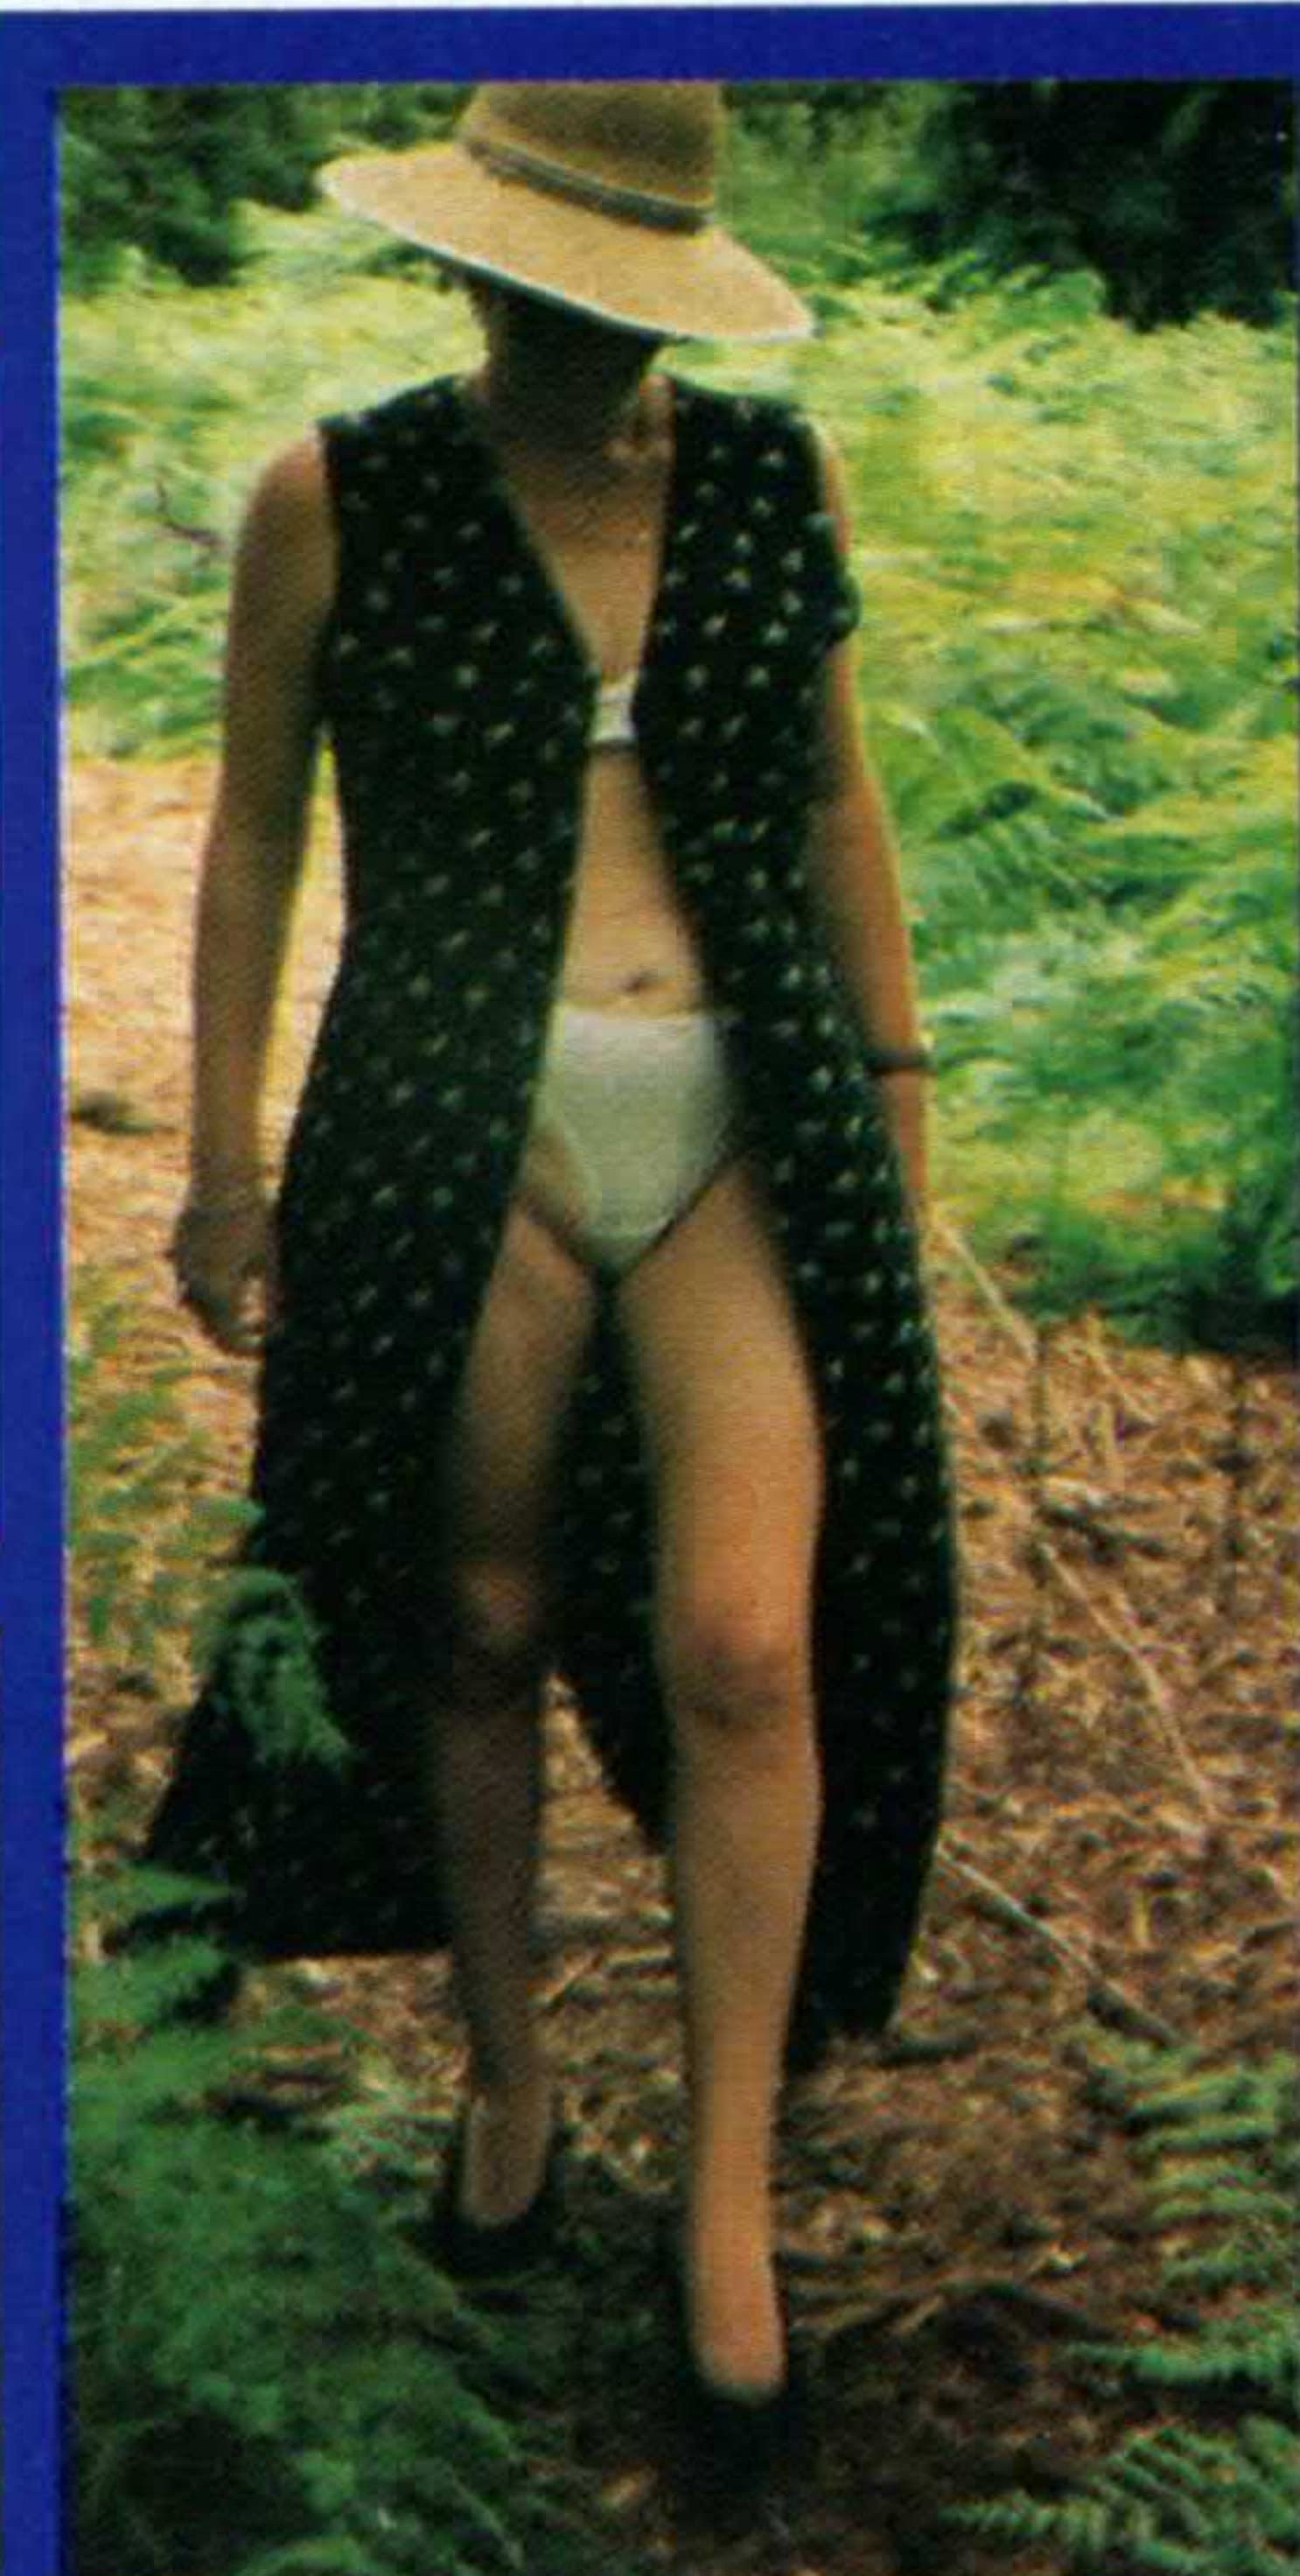

When she finally came she let out a torrent of come.

Danger  
High  
voltage

I'd never seen her come like this before. It was running out of her and down my throbbing cock until I couldn't hold back any more. I pulled out and came all over her. Julie would love to read in the magazine what the readers would like to do with her, especially female readers as she would like to be introduced to female love. Mr & Mrs B., Newcastle

## A1 ANGIE

Many thanks for including photos of my wife Angie in Vol. 14 No.4. Angie received a lot of fan mail, which spurred us on to a really great outdoor session with our camera. She gets so horny knowing your readers are wanking over her pics, which in turn gets me excited and usually results in a good fucking session in the woods. At 43 she's had some cock over the years, mostly mine, but also a couple of readers.

We hope you all enjoy the photos taken in some woodland off the A1. Perhaps you might have seen us! Thanks to everyone for a great mag. Alex & Angie, Lincs.

# sweet stuff

Whenever Sam feels like a break she reaches for four finger-sworth of something sweet and firm, but if there's no nice blokes handy, she'll have a KitKat...

**WARNING:** We would like to warn all potential customers that this advert does not feature normal hard sex hetro videos. It features much more extreme and way out sex featuring unusual models — the younger female, pregnant women, older women and even our famous film **Love Farm!** The state of some of the models and acts they perform may shock you. Be warned... Do not purchase if you are shocked or easily offended.

# EUROPE'S MOST "BIZARRE" VIDEO COLLECTION

## Buy before they're banned! Hardest specialist videos in the UK

THIS collection of "Specialist Subject" videos, which have never been available on general release in this country before, are now brought to you by "Video Confidential," Europe's leading specialists in fetish sex, in a quick and secure service.

Before today, these videos have only been available in the twilight world of the back streets of Soho.

"Video Confidential" believe this to be wrong, and now offer them to you at A QUARTER OF SOHO PRICES and are proud to open up to every reader the exciting, sensual world of Specialist Sex.

We cannot predict the reaction from the authorities to this open approach to the previously unexplored and unavailable world of fetish sex, so we urge you to make your purchase today in case this ad is now allowed to appear again.

## BUY NOW — BEFORE THEY ARE BANNED!

### Foot Fetish £24.95

FOOT FETISH, female domination and the world of leather, rubber and latex are all here in the strongest foot fetish video available. Boots, court shoes, stilettos, plimsolls, socks, flip-flops and even toe-painting and chiropody! Again there is plenty of hard core action to keep you interested, plus an incredible foot masturbation scene. A must for every serious submissive man and foot fancier.

### Pregnant Love £29.95

A SPECIALIST subject that attracts many thousands in the UK. Women in the full flush of pregnancy are seen by many as being at their most beautiful, sensual and sexual. This video explicitly explores many "Milking Maids" in wide ranging sexual acts in intimate explicit close-up and slow motion. Not just a horny experience but also an unusual, beautiful and moving one.

### Love Farm £29.95

THIS video has changed hands for over £150 in Soho. We cannot describe its hard action contents fully here, but we believe the title says it all. This video is the only one of its type available in Britain today that we know of. If this subject is your thing, you will never see a harder, more explicit example of this exciting sexual topic — only for the most unshockable viewer. It's unbeatable.

### Granny Sex £24.95

HARD, explicit and graphic. Women over 40, and 50 and even over 60! Some are fat, some are thin, all are experienced and dirty. The sex is incredible, full sex, A and O with plenty of splash — loads of old fashioned underwear (including corsets and directoire knickers). These are the horniest grannies in Europe and they're out to prove it! They've had years of sexual experience.

### Female Shaving £24.95

A VERY popular fetish is the bald beaver, and yet this is the only video we've found with true close-up and variant clipping and shaving action. The girls do it to themselves, to each other and also the blokes get a go. Just for good measure it ends up with a truly explicit close-up shaven shafting extravaganza. Truly magnificent hairless muffs as smooth and hairless as a billiard ball.

### Lady's Doctor £24.95

AGAIN we can't go into much detail in this magazine, but we all know what we're talking about here. We have sold this very specialist film for £200 in Soho and Amsterdam. Do not buy this video unless you know just what to expect from the ultimate adult, games of doctors and nurses. This video was intended to shock — and it does! It won't be around for long — buy it today!
